REVMA funds are limited and the number of worthy projects in the area make the grant recipient selection process time consuming and challenging. We do our best to notify recipients within a month of submission of the application, but sometimes we just can't get through the process that fast. If you haven't heard from us within 2 months you can contact Tiffany (our excellent R.E.V.M.A. Secretary) at tiffany.rovai@vcahospitals.com to find out where your application is in the process.
